

Student Assistant (m/f/d) to support research project 'Feed Sustainability and Experimental Regulation'

Chair of Food Law

The Faculty of Life Sciences: Food, Nutrition and Health,
Chair of Food Law of Prof. Dr. Kai Purnhagen, has an open position for a

Student Assistant (m/f/d)

(30 hours/month)

This is a temporary employment relationship (3 months) in the ongoing research project 'Feed Sustainability and Experimental Regulation'. The student assistant will research on sustainable innovations in animal feed (e.g. alternative proteins, emission-reduced feed and feed additives) and European feed policy and regulation. The project is financed by the Simon Nüssel Stiftung.

The work is remunerated with the amount of 13 euro per hour.

Your profile:

- Master student enrolled in an interdisciplinary master programme in the field of life sciences, food or agriculture (M. Sc. or equal)
- Strong interest in working in the field of European feed policy and regulation
- Independent and goal-oriented scientific work attitude
- Ability to work in team
- Ability to work on a project basis
- Very good analytical and conceptual skills
- Excellent command of English language (at least C1 or equivalent)

We offer:

- Interesting work in an interdisciplinary research project in core area of food systems transformation
- Close collaboration within a specialised interdisciplinary research group under the supervision of Prof. Dr. Kai Purnhagen
- Opportunity to develop a master thesis in the area of feed sustainability

The University of Bayreuth appreciates the diversity of its employees as an enrichment and is committed to the goal of equal opportunities for all genders. Women are strongly encouraged to apply. Applicants with children are very welcome. The University of Bayreuth is a member of the Best Practice Club "Familie in der Hochschule e.V.", and has successfully participated in the HRK audit "Internationalisierung der Hochschule".

Persons with severe disabilities will be given preferential consideration if equally qualified.

Interested?

Please apply **by email by 15 February 2023**. Please send your CV and a 300-word statement of your experience and interests to tilman.reinhardt@uni-bayreuth.de. The documents will be deleted after the position has been filled in accordance with data protection requirements.
